

FM120

icemachinesdirect 

EUROPEAN MACHINES LOWEST PRICES GUARANTEED

- FEATURES**
- Resistant stainless steel exterior.
 - Direct transmission
 - Low power and water consumption
 - Easy, front panel access to technical / service area of the machine.
 - Electronic control board with self diagnostic and malfunction alarms.
 - Continuous production
 - Reduced dimensions

CONDENSING SYSTEM
Air cooled

REFRIGERANT GAS
R290

VOLTAGE V/HZ/PH
230\50\1

**Factory 12, Sandown Square
56 Smith Rd
Springvale Vic 3171**

CERTIFICATIONS

OPERATING REQUIREMENTS

	Minimum	Maximum
Air temperature	10	43
Water temperature	5	38
Water pressure	1 bar (14 psi)	5 bar (70 psi)
Electrical voltage	-10%	+10%

Self Contained Ice Machine 120 kg
